

**Biomedical Applications Department
Vicotech
Parque tecnológico de Miramón (San Sebastián, Basque Country, Spain)**

We are looking for: Researchers and Scientific developers in Health Information Technologies.

VICOMTech www.vicomtech.org (Visual Communication and Interaction Technologies Centre) is an applied research centre for Interactive Computer Graphics and Multimedia located in the Technology Park of San Sebastian (Spain). It counts about 60 R&D projects per year with local, national and European industry partners and administrations, and more than 80 researchers.

The Biomedical Applications Department of VICOMTech carries out research and development in computer-assisted technologies for the **healthcare and biotechnology industry**. Our main research activities include **image analysis, scientific visualization, telemedicine and eHealth**.

Participation in the following projects:

- TIMIN – Computer-assisted assessment system of cartilage. (Basque Government 2008-2012)
- BIOMICS – Personalized medicine for clinical diagnostic (Basque Government 2008-2012)
- INREDIS - Interfaces for people with Disabilities (Spanish Ministry 2007-2011)
- VISION - Communication of New generation videos (Spanish Ministry 2007-2011)
- MIND – Multidisciplinary Approach of Alzheimer disease (Spanish Ministry 2008-2012)
- MedNet - Latin American Health Care Network (European Commission 2007-2010)
- Nanother - Integration of novel NANOparticle based technology for THERapeutics and diagnosis of different types of cancer (European Commission 2007-2011)

The following aspects will be positively valued::

- * Advanced knowledge of object-oriented programming language (e.g. C++, Java)
- * Experience in Medical imaging and visualization
- * Experience in Standards like HL7, DICOM ect.
- * Experience in the large database management, SQL and Web development.,
- * Any experience related to IT development for the healthcare or biotechnology sectors.

Should anyone be interested please send an email with your C.V. to this email address: info@vicomtech.org (Ref. - Biomed)
